

The Consumer Bankers Association (CBA) has chosen to challenge Indiana's Telephone Privacy law in a proceeding before the Federal Communications Commission (FCC). The CBA is attempting to impose the federal "established business relationship" exemption on Indiana consumers. If successful, anybody that you currently have a business relationship with (e.g., your bank, credit card company, long distance carrier) will be able to call you as often as they want. Please do NOT weaken Indiana's "No Call List" law.
